Kia ora, Talofa lava, Greetings

It was great to see so many people at the thank you function last night, particularly with the date change (earthquakes/weather/no power etc) from last week. We did our best to contact everyone with the date change within the time we had available to do this. Our apologies if you didn't catch up with this change.

As always, we are very appreciative of the time and energy so many people put into the school to make sure our children have the very many opportunities your help provides. We are blessed with a great community!

The Rooms 7, 8 & 9 trip to Zealandia was a blast! We were so thrilled to receive the feedback from the Zealandia staff about how knowledgeable our children were, and the group that had the face to face with the kiwi on the path had a very special day! There's talk of an overnight stay next year.....!
