The Primary Teachers Union (NZEI) have a Paid Union Meeting on the afternoon of Friday 29th June at 2.00pm which most of our teachers need to attend. Koraunui School will close at 1:30pm on this day. We apologise for the inconvenience that this may cause. We have some staff remaining onsite with the Principal to supervise those who cannot be picked up or who are staying for 2pm club.

Life Education – as a part of the Life Education programme the children are learning about how to keep healthy and look after themselves. One of the biggest contributors to healthy child development is eating well. Children require food that will feed their body and minds to get through the school day well. Resources that are being used to support the programme can be viewed on the Life Education website at

<http://www.lifeeducation.org.nz/in-schools/resources?page=1&search> and clicking on the Level buttons and Life Education Strands.

KCC Holiday Programme – information about the holiday programme is attached to this newsletter.

Te Puawaitanga o Te Kakano Kapa Haka Uniform Sewing Bee – this Saturday 23rd June from 1.00 – 3.30pm and we need sewers and helpers to get these uniforms made for our performing tamariki.

Road Safety – with the winter months now upon us we ask that everyone driving around the school and road crossing takes extra care to drive safely and help keep the children safe. Please be patient don't park over yellow lines and driveways. Remember, as adults we need to model safe behaviours on and around the road for the children.

Matariki Science Night – we will look at setting another date for this event next term.

Enrolments - Do you have or know of any 5-year old children who are starting school this year? New student enrolment forms are available at the office or on our website under "About us". If you require further information, please contact the office on 939 9707 or message us on our school website or Facebook page.
