SCHOOL GALA

We would like to say a huge thank you to Emma, Amanda and the Gala Committee who did so much work behind the scenes and on the day to make our gala a wonderful success and fun community day. There is a massive amount of work needed to make a gala happen and if not for this dedicated group of people we would not have had this opportunity to fundraise for our students and show case our school and environment.

There was a great feel around the school. It was good to have the wider Stokes Valley community enjoying our school environment. We would like to thank those people who helped out on the day, giving their time for the many jobs that needed to be done to set up, running stalls and packing up.

We would like to thank everyone in our community who donated Easter Eggs, bottles and food for the gala.

We would also like to thank the following businesses, local and in the wider Hutt Valley, and community members who supported us with prizes, food, time and services.

Harvey Norman Electrical Lower Hutt, Harvey Norman Furniture Lower Hutt, Godfreys Lower Hutt, Advance Electrical Wholesalers Lower Hutt, Hunting and Fishing Lower Hutt, Waste Management Lower Hutt, Jenkins Gym Lower Hutt, Bridget's Florist Stokes Valley, Office Max, Taita College, Cancer Society Wellington, Hellers NZ's Butcher, Lions Lower Hutt, Garry and Glenys Saul, Michelle and Craig Candy, Press and Taylor families, Cheryl Repia, Barbara Hay, Dean Woddington, Stokes Valley Fire Brigade.

For our school community there is a video up on our school Facebook page with snippets of the day.

RIPPA RUGBY

On Tuesday the 26th March, the two successful Rippa Rugby teams took part in the next round of interzone competition, at Hutt Park. The competition was tough. Both teams enjoyed a mixture of wins, draws and losses, and all the tamariki played with enthusiasm and team spirit. The players chosen for FAIR PLAY awards were Azarhya and Mylachai. Once again, a big thank you to the parents who helped out with transport, support and coaching. Special thanks go to Mandi and Jamie for their team management on the day.

THE WONDER PROJECT

Calling all scientists, engineers, mathematicians and technologists – we need your help.

Our Year 5&6 students have signed up for The Wonder Project's Rocket Challenge, an amazing programme aimed at getting young Kiwis excited about STEM. However, we desperately need more volunteers to work with our teachers and pupils to design, build and launch water rockets!

Keen to help? It only requires 1 hour a week of your time for 6 to 8 weeks during Term 2. You'll receive full training and the Wonder Project sends us everything we need to take part, including a cool rocket kit, a rocket launcher and an online learning hub so you don't need to know anything about rockets to help out. You can find out more info and register at wonderproject.co.nz

Please let us know if you are keen, so we don't miss out on the fun!
