Dear Miss Hay

It's about time we make our lunch-boxes rubbish free! This is very important because our environment is getting too dirty.

Jazz will eat the rubbish if we forget to close our lunch-boxes. Other animals might come and eat our rubbish as well and they get sick and might die!

The rubbish is getting everywhere and we want a clean environment and a clean school. It will be hard for the parents but the environment is too dirty at this school. In fact, our rubbish bins are getting too full!! I think we need rubbish free lunch-boxes.

Rats and mice may come and the leftover food from our lunch-boxes will get eaten. The rats and mice might scare some people.

As you can see there's a problem and I hope I've convinced you to make our lunch-boxes rubbish free. Please think about it. This will make the environment a lot cleaner and we won't need to worry about rubbish.

From Leah Brinkley
Room Seven

This is the lunch box rubbish from Room Seven in just two days!

We have 15 classes. What does this look like for the school each day...each week....each year?!

What can we do differently?
