Head lice: Please check your children daily and treat if necessary. We have treatment product at school if you need it. It's free. Ask at the school office.

After school... go home... not back to play until after 4pm

As the days are getting longer and the weather is good, we have increasing numbers of children staying on at school to play. This is causing some hassles with KCC and teachers needing to have their meetings and prep time in peace. We welcome the community to use the grounds, and children are welcome to come back after 4.00pm. They must check in at home straight after school, unless they are at Study Centre or KCC. Intermediate children must also go home first before coming down to school to play. The intermediates will also be asked to advise the children of this.

Free Somme Movie Tickets: The ongoing commemoration of the centenary of World War I provides many opportunities for us to come together at key moments to remember the sacrifices made 100 years ago.

One such opportunity is the anniversary of The Battle of The Somme. In partnership with the New Zealand Symphony Orchestra, Wellington City Council and the RSA, the British High Commission will be hosting a special performance of the historic film *The Battle of the Somme*, accompanied by the NZSO.

The film is the first recorded movie footage of war and is a realistic record of the Battle. As a silent movie it was often played to a musical accompaniment. In honour of the restoration of this film, the Imperial War Museum in London has commissioned a new orchestral score, and it is this score that will be played by the NZSO.

The event is being held on Saturday 24 September at the Michael Fowler Centre in Wellington, starting at 3pm. The performance will last about 75 minutes. The film is rated PG would be suitable for Years Six and above with guidance from a parent or guardian.

Tickets are free of charge. **We have 11 tickets still available from the school office.** First in.....

""KPG's next event is going to need you to get your dancin' sHOOOOes polished... your CREEPY costumes ready... your massacre make-up mastered... There's going to be a Ghoulish, Haunted, Darkest Night Family Disco on Halloween Night in the transformed Hall... More to come once we've caught some frogs... made some potions and cast some spells..... If you're interested in helping us organise/create/run this event please let us know - Hop on the school Facebook page, post that you're interested and we'll get in touch with you!!..... Happy haunting....

TE AWA KARIANGI

Dear Miss Hay

I strongly believe if we leave rubbish laying around rats and mice might come because they can smell the food.

People are chucking rubbish in the bin that means there is more rubbish in the tip. We can change this, we want less rubbish at school, which will mean less rubbish in the tip.

If we do not put our rubbish in the bin, it will fly around every were our school might turn a bit messy.

To Miss Hay

There are a lot of reasons why we need to have rubbish free lunches.

There has been a lot of rubbish flying around lately so I strongly believe that we should have rubbish free lunches. People have been letting rubbish fly away then blaming it on other people. People are finding rubbish then hiding it in the bush.

Another reason are people pretending that the rubbish is not there, and walking past without picking it up.

The reason why we made rubbish bins is to store rubbish so it does not fly around every where.

I truly hope I have convinced you to have rubbish free lunches at Korauui School
