**Colds and bugs.**

We have a range of bugs rampant through our school.

Our staff at present are being badly effected and we are struggling to get relief teachers to cover this. Please bear with us as we try to solve this dilemma.

**Tips for Avoiding Winter Bugs:**

- Get vaccinated against flu
- Wash your hands often
- Limit exposure to infected people
- Keep stress in check
- Eat right
- Sleep right
- Exercise

*Thank you for such an amazing Science evening last Thursday. We were blown away by the wonderful turn out. It was so exciting to see parents and grandparents doing science together with their children. Photos are up on the Koraunui website. We are thinking it could be an annual event!*

**What is going on in our Hall?**

**Monday: Karate**

This is a new training session with high level belted karate sensei. There will be more information coming out about this. It will be run by Dai Sije Lianne and begins next week.

Tuesday: GKR Karate

**Friday: Mau Taiaha  
6:15-7:30pm**

This is a training session that is open to everyone who is interested no matter what age or gender. It will be run by Matua Chris and Whaea Mereana. It will be a whanau atmosphere and great value for your wellbeing and fitness. Come along and enjoy.  
**Begins this Friday.**

**KORAU**

Our focus at the moment is being united. Helping each other and being supportive.

We have been discussing how to be an UP-Stander rather than a By-stander when things go wrong for others. Being the person who offers to help rather than watching and doing nothing.

***Heating pipes and boiler work.***

*We have solved some of the boiler problems and heat is now restored to rooms 1-56. Work is cracking on to address the leaks in our pipe work from Kauri Block to Kowhai Block. Thank you for your continued support with using alternative entries for the next 2 weeks or so. There are 3 Entry points to school; the end of Room 11, between Kauri Block-Room3 and KCC or from Montgomery Street.*

*We are sorry for the inconvenience.*

**P**olyfest is week 10 of this term!

Please expect a busy term of practices and possible sleep-overs.  
 Keep an eye out for notices if your child is part of this amazing cultural opportunity, which we are proud to host.  
 We will be needing lots of helpers.
