**Our Tree planting project is in full swing!**

The plants have arrived-all 600 or so....native trees, flaxes, grasses and bushes. The whole school are involved in planting these up on the school bank. It has been tricky to work around the wet weather... but we are half way there and hope to be finished by the end of the week. Bringing old clothes and old shoes or gumboots would be helpful.

The older students have been working and supporting our younger ones to plant.

We have been  
***"planting like a ninja."***

School will be *closed* this day.

There will be **no** KCC available either during the day or before or after school hours. We are sorry for the inconvenience, but this day is being run for our entire staff by the Ministry of Education.
