Time for a well deserved rest

Holidays start 2pm Friday.

Looking forward into Term Four..a busy and fun filled time is already planned.

Our main focus will be...

BIOBLITZ 2017

When: November 6th.

Over 60 scientists are due to arrive and support our children for this wonderful event.

Parent support will be gratefully received. Return slip attached.

On the day, we will be using the Nature Watch App. Please read the information about how to access this and have a play over the holidays.

*As part of the Bioblitz, children will need permission for photography. If you have not already filled in the **CURIOUS MINDS** permission-look out for one coming home with your child today.*
