**Kia Ora, Talofa lava, and Welcome.**

**KPG are holding a gala meeting next Monday at 7:00pm in the staffroom** to continue with organization for next year's school gala.

We have a lot of ideas to make this day a huge success for the school and now need some good keen people to help out with activities, raffles, food etc. Everyone is welcome at this meeting. It would be great to have a big turnout, so we can make this an awesome day.

**Study Centre** - This has now finished for the year. We will start up Study Centre again in Term 1 next year.

**Camp/EOTC Week** – This week our Year 6 students are away at camp. Judging by the photos on our Facebook page they had a fantastic time yesterday and it was good to hear they are all having a go at all the challenges that make up the camp.

During this week while our Year 6 students are away our Year 4 & 5 students are taking part in a range of sporting, technology and music activities. These provide the opportunity for the students to interact and work with students from across the school.

Yesterday Room 1213 had a day at Brookfield Outdoor Education Centre. They had a fantastic day taking part in a wide range of activities that challenged them and pushed them to try new things. It has been fantastic to see that the children have been displaying the KORAU values yesterday, especially when faced with situations that pushed them outside their comfort zone.

**Wellington Airport Regional Community Awards** – last Friday evening our school along with Whaea Luana's family represented Polyfest at the Regional Community Awards ceremony. It was very humbling to be amongst so many groups that do such good work in their communities. While we did not win the Arts and Culture category this time, we were delighted that Tape Art NZ, who were involved with this year's Polyfest, did win.

**National Primary School Strike Day** – thank you to everyone for supporting teachers and principals last Friday. The teacher's union is working hard to improve conditions for teachers and schools that will benefit all learners, especially those with learning needs.

**50 cent STALLS - No 50 cent stalls this week. No Sausage Sizzle tomorrow.**

**Head Lice** – we have had some cases of headlice at school recently. Please check your children’s hair, especially if you notice them scratching. Information about preventing the spread of headlice can be found at the following website <https://www.kidshealth.org.nz/head-lice>. If you have any concerns or questions, please contact the school office for advice and support

**Hats** – It is great to see so many children wearing their hats at school. Please remind them to keep bringing them as the term progresses.

**Enrolments** – Do you have or know of any children who are starting or finishing at Koraunui School next year? The sooner we find out about new enrolments and changes the better we can plan for classes and all students attending our school. New student enrolment forms are available at the office or on our website under “About us”. If you require further information, please contact the office on 939 9707 or message us on our school website or Facebook page.

Keep up to date with photos and information of what is happening around the school and in the classrooms on our Facebook page.
