KIA ORA, TALOFA LAVA, AND WELCOME.

End of Term – as the end of Term 2 approaches we would like to thank everyone who has supported our school and the children in their learning this term. Having extra home and family support for the children is essential for them to achieve to the best of their ability and being successful. Our Successful Learner Triangle highlights the importance of everyone working together. This can be viewed at this link or on the school website <https://koraunui.school.nz/learning-in-action/successful-learner-triangle/>

HUTTFEST 2019

Huttfest is well under way and it was fantastic to see our Pasifika Group kick off this year's celebration with a polished and joy filled performance that made us all very proud. We now look forward to seeing our Kapahaka Group perform tomorrow night to close the primary and intermediate part of Huttfest. We know they will also put on a great performance that will make us proud.

STAFFING NEWS

Next term we welcome Mrs C back to school following her 2 terms on study leave. Mrs C will be taking up the teaching role in Room 12. We look forward to having her share her new learning with us all and leaping back into teaching at our kura.

We would like to thank Mrs K for the fantastic work she has done in Room 12 for the first half of the year. We are lucky to have her share her skills and enthusiasm with us this year. Mrs K will be joining our Junior team for the second half of the year and will be teaching in Room 1 as our new entrant numbers have grown to the point where we need to start a new classroom.

BEFORE SCHOOL DROP OFF AND AFTER SCHOOL PICK UP

 We have observed a lot of dangerous behaviours on the road outside school again lately.

Please use the road crossing when crossing the road rather than dodging traffic. Remember you are role models for the Tamariki.

Also can people driving cars use the roundabout at the top of Kairimu Street. Doing U turns and backing in and out of driveways is dangerous before and after school.

Please take an extra minute in your day to make sensible choices and keep all pedestrians  safe.

It is up to all of us to keep our children safe.

ROAD CROSSING PARENTS AND PATROLLERS

We would like to say a huge thank you to our parent and whanau who help out on the Stokes Valley pedestrian crossing each morning to keep our children safe as they walk, bike and scooter to school. Thank you also to our Year 6 road patrollers who complete their patrol duties so sensibly every day.

STUDENT LATENESS AND ABSENCES

We have been experiencing a number of students arrived late or not at all recently with **no notification** of the reason they were absent. This can take the office 90 minutes each day to follow up trying to find out why your child is late or not at school. This could be avoided by the courtesy of a phone call, txt or email on our website. Please help your child/ren get to school **before the 8.30am** bell. If they are not coming to school please take responsibility for contacting the school office.

CHILDREN'S CLOTHING

We have a lot of lost property gathering around the school again, mostly un-named. All lost property left at school at the end of this term will be donated to charity.

50 cent STALLS

THERE WILL BE NO 50 CENT STALLS THIS WEEK. WE WILL BEGIN WITH THESE AGAIN NEXT TERM
