The Board of Trustees invites members of our school community to participate in creating our new vision statement. This is a brief description of what we see for ourselves as a school and our goals for our tamariki now and in the future. It is an important thing to get right, because it will guide everything we do from the Board to the classroom teaching. We encourage as many of our parents, caregivers and wider whānau to come along and enjoy some kai and kōrero.
